**Re:** May Maintenance Report

- 1. General Village Maintenance:** The three entrances along Northern Boulevard have had topsoil and fresh mulch added after the sidewalk aprons were replaced by the crew that is repaving the road. We have trimmed back the bushes along Wensley Dr. and Melbourne Rd., so the sidewalk is clear to walk. Wensley Lane East also was trimmed back significantly of overhanging foliage. The American Flags were hung on South Middle Neck Road for the Memorial Day Parade. We were having trouble with the sweeper starting, after diagnosing it was found to be a bad positive cable and terminal, a new one was ordered and will be installed as soon as it arrives. The tennis courts were rolled a few times and the divider nets were installed.
- 2. Street Lighting:** We have changed a total of four light poles this month at:
  - 14 Dunster
  - 12 Melbourne
  - 209-211 Melbourne
  - 12 Tain
