

# Village Maintenance Report

**To:** Mayor David Miller

**Cc:** Deputy Mayor Larry Chaleff and Village Trustees

**From:** Brian Gauger

**Date:** July 24, 2023

**Re:** July Maintenance Report

---

**1.General Village Maintenance:** All of the Stop lines, parking spots (incl. handicap), and yellow lines have been painted throughout the village. We have picked up a pallet of UPM (unique paving materials) and rented a flat plate tamper to start filling in potholes in the village.

**2.Street Lighting:** The crew from Welsbach Electric has finished replacing all of the decorative light fixtures on the wood poles. They had to order different brackets for the sidewalk fixtures on S. Middleneck Rd. When the parts come, they will be back to complete the install. The village received a shipment of the three remaining light poles from the first order we placed. We have changed a total of two light poles this month at:

- 18 Carlton Rd.

-22 Carlton Rd.
