**1.General Village Maintenance:** The crew has replaced 3 wooden street signs that were rotted out. We rehung the street signs that were removed when changing out the light poles. The Joyce Cohn Pathway bricks that became dislodged or missing has been repaired. All of the bushes on the pathway were also trimmed back. The bushes have been trimmed at the Clent Road triangle and weeds pulled.

**2.Street Lighting:** The crew from Welsbach Electric has started to change out the light fixtures. The village received a shipment of three light poles. We have changed a total of three light poles this month at:

- 90 Clent Rd
- 221-219 Melbourne Rd.
- 214 Melbourne Rd.
