

Village Maintenance Report

To: Mayor David Miller

Cc: Deputy Mayor Larry Chaleff and Village Trustees

From: Brian Gauger

Date: May 30, 2024

Re: May Maintenance Report

1.General Village Maintenance: A electric line was run to the Clent triangle and low-voltage lighting was installed. The bushes along the Joyce Cohn pathway and Wensley entrance were trimmed back from the sidewalk. The company came in and prepared the tennis courts for the season, we then rolled them and installed the divider nets. A minor repair was performed to fix a broken sprinkler line for the courts. The storm drain that was in the mow strip on Linford has been replaced and moved into the street two flags of sidewalk were replaced also. The village entrance sign was finished and reinstalled at the bottom of Clent Road.

2.Street Lighting: The pole at 44 Wensley was replaced due to it leaning and being slightly rotted. We received eight (8) new light fixtures for inventory.
