

Village Maintenance Report

To: Mayor David Miller

Cc: Deputy Mayor Larry Chaleff and Village Trustees

From: Brian Gauger, Motor Equipment Operator

Date: April 27, 2023

Re: April Maintenance Report

1. General Village Maintenance: All of the lawns have been thatched, seeded, fertilizer, and limed. The timers for the sprinkler systems have been re-installed and turned on. All systems were tested and repairs have been made as needed. Gold Coast Tennis came in and setup the tennis courts, the courts will need to be rolled numerous times before they are ready to be open for the season. Verizon came in and changed the ONT box on the camera on Merrivales entrance due to a sporadic outage, this seems to have fixed the problem.

2. Street Lighting: The street light at 2 Darley was reported to be out, upon checking it was found to have a loose wire connection. Repaired the wire connection and tested. The light on the corner of Dodford and Carlton was reported to be a “day burner”, the photocell was replaced and was tested for normal operations.
