

Village Maintenance Report

To: Mayor David Miller

Cc: Deputy Mayor Larry Chaleff and Village Trustees

From: Brian Gauger, Motor Equipment Operator

Date: October 30, 2023

Re: October 2023 Maintenance Report

1.General Village Maintenance: We received and installed the new street signs and brackets. There was an error on a few of the signs that will be corrected, and the signs will be installed. The cap stones on the Clent Rd triangle damaged by a vehicle accident have been replaced. We have painted the No Parking area on the corner of Tain and Northern, the new delineators have been ordered and will be installed once received. The backflow check devices for all of the water services have been performed.

2.Street Lighting: We removed the light pole and moved it to the opposite corner of Tain and Linford. We had the training on the new operating system for the streetlights.
