

# Village Maintenance Report

**To:** Mayor David Miller

**Cc:** Deputy Mayor Larry Chaleff and Village Trustees

**From:** Brian Gauger

**Date:** April 30, 2025

**Re:** April Maintenance Report

---

**1.General Village Maintenance:** We have replaced all of the stop sign and speed bump posts throughout the village. All the equipment was changed from winter to summer mode. We have turned on the water at all village locations and reinstalled the sprinkler timers, tested and made any repairs that were necessary. We took delivery of 20 Princeton Elm trees from Hicks Nursery. While planting the trees one of the pistons on our backhoe attachment blew a seal and was leaking hydraulic fluid. We rented a mini excavator to complete the tree planting. We will remove the piston and send it out for repairs soon. All tree planting has been completed.
